TOWN WARRANT

To the inhabitants of the Town of Hebron, in Grafton County, in the State of New Hampshire, you who are qualified to vote in Town affairs:

You are hereby notified to meet at the Community Hall in Hebron on Tuesday, the eighth day of March next, at 12 noon to act upon the following subjects:

ARTICLE:

1. To choose all necessary Town Officers for the ensuing year. The polls will open at 12 noon and close at 9:00 p.m., and the business meeting will commence at 7:00 p.m.
2. To see if the Town will vote to approve, by ballot of "yes" or "no", the following amendments to the town zoning ordinance as proposed by the Planning Board:

Note: This is a non-discussion item, to be voted by ballot at the polls.

1. Are you in favor of adding the definition of "boat house" in Article 11: Definitions so it reads: "Boat house" means any wharf, dock or pier designed for the docking and mooring of water borne craft over which a permanent structure has been erected for the sheltering of a boat or other water borne craft from sun and weather.
2. Are you in favor of adding the definition of "boat slip" in Article 11: Definitions so it reads: "Boat slip" means an area of water immediately adjacent to a dock and accommodating only one boat.
3. Are you in favor of changing Article 1V-H: Setback so it reads: New structures and additions to existing structures shall not be erected within fifty (50) ft. of the edge of a traveled portion of any highway or twenty-five (25) feet of any property boundary as measured in a horizontal plane. A non-commercial accessory building and/or structure may have a five (5) foot setback with written permission from all abutters within twenty-five (25) feet of the proposed building or structure. In condominiums the minimum distance between residential buildings shall be fifty (50) feet. Cluster developments shall meet all setback requirements from the cluster lot lines. Fences, signs, septic systems, mailboxes, flagpoles and outdoor lamp posts shall be exempted from this requirement.
4. Are you in favor of deleting the first and second paragraphs of Article 1V-R: Building permit and replacing it with following, so it reads: Any owner or lessee of real estate who plans to construct, structurally enlarge, move or locate a building or structure, including prefabricated and mobile homes, or increase the number of dwelling units in a building, or change the use thereof, shall file with Board of Selectmen an application for a building permit which shall clearly indicate

the nature of the proposed plans. Ordinary maintenance and repairs to existing buildings and structures are exempt from filing. The Board of Selectmen will act on the application for a building permit within twenty-one (21) days of the acceptance of the application. No construction shall commence until the building permit is issued.

5. Are you in favor of adding the following between "100 year flood" and "regulatory floodway" definitions in Article 1V-S item 1 definition of terms so it reads: "Recreation vehicles" means a vehicle which is (a) built on single chasis; (b) 400 square feet or less when measured at the largest horizontal projection; (c) designed to be self-propelled or permanently towable by a light duty truck; and designed primarily not for use as a permanent dwelling but as a temporary living quarters for recreational, camping, travel or seasonal use.
6. Are you in favor of adding the following to Article 1V-S items VIII 2 so to read: Recreational vehicles placed on sites within zones A1-30, AH and AE shall either (I) be on the site for fewer than 180 consecutive days (II) be fully licensed and ready for highway use, or (III) meet all standards of section 60.3(b) (1) of the national flood insurance program regulations and the elevation and anchoring requirement for "manufactured homes" in paragraph (C) (6) of Section 60.3.
7. Are you in favor of adding Section E to Article V so it reads: Permitted uses by special exemption of the Board of Adjustment: Retail stores and Post Office.
8. Are you favor of replacing Aricle VI B 4a with the following so it reads: (a) Docks are constructed on the basis that each boat slip shall have a minimum of eight (8) feet of shoreline and each dock shall have a minimum perpendicular distance of sixteen (16) feet between docks.
9. Are you in favor of replacing Article VI B 4b with the following so it reads: (B) Parking shall be provided on the basis of three (3) spaces for every four (4) wet boat slips and additionally one (1) space for every live dry docking storage rack.
3. To see if the Town will vote to authorize the selectmen; Indefinitely, until rescinded at a future town meeting; To convey any real estate acquired by the Town by tax collector's deed. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids, or may be otherwise disposed of as justice may require, pursuant to RSA 80:80. (Recommended by the selectmen)
4. Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an Article authorizing indefinitely, until specific rescission of such authority, the selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year? (Recommended by the selectmen)

5. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95e. The selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property. (Recommended by the selectmen)
6. Shall the Town accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an Article authorizing indefinitely, until specific rescission of such authority, the selectmen to issue tax anticipation notes? (Recommended by the selectmen)
7. To see if the Town will vote to authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the town in trust for any public purpose, as permitted by RSA 31:19. (Recommended by the selectmen)
8. To see if the Town will vote to authorize a two percent discount on property taxes if paid within thirty days of the date of the tax bill. (Recommended by the selectmen)
9. To see if the Town will vote to raise and appropriate the sum of \$2,500 for a computer and related software. (Recommended by the selectmen)
10. To see if the Town will vote to raise and appropriate the sum of \$3,000 to continue to seal town roads. (Recommended by the selectmen)
11. To see if the Town will vote to raise and appropriate the sum of \$5,000 for culvert repair at Glines Brook on Hobart Hill Road. (Recommended by the selectmen)
12. To see if the Town will vote to raise and appropriate the sum of \$2,000 for ledge removal on the George Road. (Recommended by the selectmen)
13. To see if the Town will vote to raise and appropriate the sum of \$1,000 for Old Home Day festivities in 1994. (Recommended by the selectmen)
14. To see if the Town will vote to raise and appropriate the sum of \$1,000 for perambulation of the Plymouth town line. (The town of Plymouth will pay an equal share.) (Recommended by the selectmen)
15. To see if the Town will vote to raise and appropriate the sum of \$1,750 for replacement of a bay door at the fire station (Note this is the single bay door where the rescue vehicle is housed.) (Recommended by the selectmen)
16. To see if the Town will vote to raise and appropriate the sum of \$3,000 for repairs to the fire station office door, furnace room and roof vents. (Recommended by the selectmen)

17. To see if the Town will authorize the selectmen to accept the Hobart Hill Road extension as dedicated on the subdivision plan for Hobart Hill Highlands. This acceptance is to be in the spring of 1994 after thawing and inspection of the road. (Recommended by the selectmen)
 18. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray charges for the ensuing year.
 19. To transact any other business that may legally come before this Meeting.
- Given under our hands and seals this 19th day of February 1994.

Henry D. Lynch
William R. White, Jr.
Bruce A. Barnard
Selectmen of Hebron, NH

REPORT OF THE TOWN AUDITOR

I have carefully examined the accounts of the various municipal officials for the years 1990, 1991 and 1992 pursuant to RSA 41:31. Town Auditor reports for 1991 and 1992 have been submitted to the Department of Revenue Administration, and a copy to the Selectmen.

Lee Alexander

**HEBRON POLICE DEPARTMENT
Annual Report for 1993**

The Hebron Police Department received over 400 calls this past year for a variety of types of services as recorded by the Grafton County Sheriff's Radio Dispatching Service. This includes calls made directly to Chief's home and Officer W. White's residence. We have had many positive comments on the new dispatching service this past year and I feel sure that the service and comments will continue to be on the positive side in the future. In addition to the phone calls they handled over 580 radio transmissions for the Hebron Police cruiser.

Accidents were down by over 50% this past year and that was due to several factors. Each time the cruiser completed a call it would make a tour around the town before going out of service. Many warnings were issued for various traffic violations, Radar enforcement was stepped up on North Shore Road, West Shore Road, Hebron - Groton Road and Route 3A where we received complaints from residents. Summonses were issued for serious violations and prosecuted in court. Burglaries and thefts were also down this past year but domestic violence, abuse and juvenile problems increased over last year and this accounted for the major part of our man hours.

The officers of the Hebron Police Department wish to thank the people of Hebron for their past and future support of their police department. You have made a tough job a little easier by your backing, and you showed it at the last Town meeting by voting in the dispatching service, a new police cruiser, which I have had many favorable comments on, and the equipment necessary to do the job to service you better. We will continue to strive to provide the best service within our ability. Thank you.

Respectfully submitted,

Harold T. Reilly Sr.
Chief of Police

Ptl. R. Beaudry
Ptl. A. Ricciotti
Ptl. W. White

HEBRON FIRE DEPARTMENT ANNUAL REPORT FOR 1993

During 1993, the Hebron Fire Department responded to a total of 111 calls. This compares with 107 calls in 1992, 111 calls in 1991 and 73 calls in 1990.

The breakdown of the 111 calls is as follows: 66 medical emergencies, 37 fire related incidents and 7 service calls, 1 tree down causing damage. The 37 fire related incidents break down as follows: 3 structure fires, 16 mutual aid, 4 chimney fires, 1 power lines/transformer fire, 6 alarm activations, 2 car fires, 1 car accident (no personal injury involved), 1 brush fire, 2 smoke investigations, and 1 good intent call.

Again this year the level of training continues to expand. On the medical side, the department has 8 continuing EMT's and 2 new First Responders. For fire fighters, the department has 8 certified at various levels (4 members hold both medical and fire fighter certificates). Currently, there are 3 members enrolled in the Level 1 Certified Fire Fighter Course. One of our members is a certified state instructor and we have a second fire fighter enrolled in the instructors' course.

While training is expensive, the payoff is higher quality and more professional service to the community.

This year the department upgraded to 4 inch hose for water supply. We purchased 1,000 feet at a cost of \$3,480. which was paid for by our own Improvement Fund. An additional \$900. was spent from the budget for 4 inch fittings and adapters. This acquisition allows us to significantly increase our ability to move water to a fire scene. This is especially advantageous since Bridgewater will soon be taking delivery on a new engine with 6,000 feet of 4 inch hose.

There were no major maintenance expenses this past year. However, we are going to have to do something very soon to replace our rescue truck. This capital fund drive I spoke about last year has not materialized, and while we have not discounted the possibility, we need to look at other funding options. We have examined a vehicle currently in service in the local area which will be available for sale sometime after town meeting (they are buying a new rescue). If we can acquire a good used vehicle we are still planning to begin transporting patients to the hospital without having to rely on the Bristol Ambulance.

Finally, let me thank the community for the support it has shown. Without such a high level of support our task would be much more difficult. I also want to personally thank the officers and fire fighters for their loyalty. It takes a special person to give as much as some do simply for the love of the fire and emergency medical services.

Respectfully submitted,

John M. Fischer, Fire Chief

LAKES REGION PLANNING COMMISSION 1993 ANNUAL REPORT

The Lakes Region Planning Commission is a voluntary association of local communities designated by area towns as the organization that brings towns and cities within the Region together. By associating and pooling resources, local governments have a highly trained professional staff available to them for a wide variety of services. Areas of current expertise include land use planning, transportation planning, master planning, environmental planning, capital improvement programming, impact fee studies, economic and community development, housing, fiscal and environmental impact analysis, geographic information systems and computerized cartography, household hazardous waste collections and site plan review. Communities may also obtain the services of a professional planner on a regular basis through our circuit rider program. The Commission also serves as a collective voice in issues involving the state and federal government. We are cognizant of the role we have to protect and further the interests of our communities.

Your support enables the LRPC to undertake comprehensive regional planning and to carry out various projects and programs of regional benefit. Over the past year, the LRPC:

- Provided consultation and assistance to thirty-one member communities.
- Met repeatedly with state officials and agency representatives to influence policy and help keep the Region an active participant in many ongoing State programs.
- Contracted and coordinated the 10th, and largest, regional household hazardous waste program in the Lakes Region serving over nineteen municipalities in a one day super collection.
- Initiated the start of the Lake Winnepesaukee Watershed Project which includes the preparation of a Manual of Model Ordinances, especially for communities having lakefront lands.
- Sponsored local sessions of the N.H. Law Lecture Series.
- Served as a board member on the Belknap County Economic Development Council, a regional consortium of area towns for economic betterment.
- Staffed critical parts of the U.S. Route 3 and N.H. Route 11 community oriented transportation study of the Route 3 & 11 transportation corridor from Franklin to Laconia. The final report is scheduled for early 1994.
- Served on the Route 3 & 11 Policy Advisory Committee advocating a consensus approach for projects to be recommended in the 3 and 11 study.
- Initiated discussion of State support for a study of siting a conference facility in the Lakes Region. Legislation for this idea was submitted in 1994 (SB 701).

- Provided each town in the region with GIS plots of wetlands, through a cooperative project with the N.H. Office of State Planning. We are also represented on the N.H. GIS Advisory Committee. We are also working on a cooperative GIS partnership with Plymouth State College.
- Started data collection efforts on the Route 16 Feasibility Study; a federally mandated study designed to investigate measures to preserve the Route 16 transportation corridor as an efficient conveyer of people and goods.
- Initiated discussion on a land capability analysis of the Newfound Lake watershed. This effort will be funded by the N.H. Dept. of Environmental Services and will include assistance from the Newfound Lake Association and the communities within the watershed.
- Continued to participate on and support the N.H. Heritage Trails efforts. The NH Heritage Trail is a recreational trail generally following the Pemigewasset and Merrimack Rivers from the Canadian border to the Massachusetts border.
- Started a cooperative wetlands evaluation project with the Audubon Society, Office of State Planning and Central Region Planning Commission. Held two workshops and will work with Ossipee and Wolfboro on wetland evaluations.
- Met individually with all thirty-one towns in the region to discuss changes to the existing regional transportation improvement program. This information will assist the LRPC with the preparation of an updated regional transportation improvement program.
- Completed point and non-point source pollution mapping of towns in the Region and transferred this information into the LRPC's geographic information system.
- Continued to administer the Region II Transportation Advisory Committee in coordination with the N.H. Department of Transportation. This group meets throughout the year and has established regional transportation priorities which are annually presented to the Governor's Highway Advisory Council and the State Department of Transportation for future transportation improvement projects.
- Continued to administer and participate in a number of master plan updates throughout the Region including, but not necessarily limited to, Tamworth, Northfield, Holderness, Gilmanton and Sanbornton.
- Received a special commendation for unique and significant accomplishments in the field of town, city and regional planning from the Northern New England Chapter of the American Planning Association for our Industrial Siting Study.

We look forward to serving your community during the coming year. Please feel free to contact us at 279-8171 whenever we can be of assistance.

PEMI-BAKER HOME HEALTH AGENCY

The Pemi-Baker Home Health Agency requests the sum of \$1,674.75 to be included in your 1994 fiscal budget for the Home Health Care Services to your town.

This figure was developed on the last recorded census from the State Office of Comprehensive Planning in Concord. The per capita rate is \$4.35 based on your town's population.

The Pemi-Baker Home Health Agency realizes its revenue through the following:

Donations	.5%
Town Appropriations	7%
Contract Fees	83%
Private Fees	1%
Grant Fees	8%
Miscellaneous	.5%

The Pemi-Baker Home Health Agency delivers the following services to its member towns:

- Skilled Nursing by Registered Nurses
- Physical Therapy by Registered Physical Therapist
- Speech Therapy by Certified Speech Pathologist
- Occupational Therapy by Certified Occupational Therapist
- Social Worker
- Personal Care by Trained Home Health Aides (under the supervision of our skilled nurses)
- Homemaker Services by Trained Homemakers
- Hospice
- I.V. Therapy
- Infant and Toddler Car Seat Program
- Equipment Loan Program
- Companion Referral Service
- Health Promotions, Evaluation Visits
- Parent Support Group, Parent Aide Program
- Free Immunization, Blood Pressure and Diabetic Screening Clinics
- Annual Flu Clinic, Office Blood Pressure Checks
- Well Child Program, including Nutritionist and Dental Screening Clinic
- Plymouth Area Ad Hoc Committee on Youth at Risk

The Pemi-Baker Home Health Agency is a New Hampshire Licensed and Medicare Certified Agency.

REPORT TO DISTRICT ONE CITIZENS

The five member NH Executive Council acts much like a Board of Directors within the Executive Branch of your State Government. We have the authority granted to the Governor and Council by constitutional and statutory law for the overall administration of the affairs of State as defined by the NH Constitution, NH statutes, advisory opinions of the Attorney General and opinions of the NH Supreme Court.

We each represent one-fifth of the population divided into five districts. Our District consists of 98 towns and four cities spread over all or parts of five of New Hampshire's ten counties. The current population of our District is 221,000 people - basically the land area north of Concord.

Of prime importance to the region is the development of the highway transportation program throughout the State. The NH Legislature by law set in motion a two-year cycle which will start July 1, 1994 which requires each Councilor to hold public hearings to ascertain highway and transportation needs. We then meet to make our recommendations to the Governor who then will make a recommended plan for highways to the NH Legislature by February 1997. Governor Merrill will be making his 1994 recommendations to the NH Legislature by February 15, 1994. Towns, cities, counties and citizens having an interest in this should contact their local State Representatives and State Senator.

Another project that is of continuing interest to this District is the nomination and confirmation of individuals to the dozens of State boards and commissions which the Governor and Council are required to fill with qualified and interested citizens. If you are interested, please forward a copy of your resume to me.

Individuals having an interest in these duties and responsibilities should contact my office or Governor Merrill's office at the State House, Concord, NH 03301.

N. H. HUMANE SOCIETY

The 1993 totals of the number of animals brought to the NH Humane Society shelter from your town are as follows:

By your Animal Control Officer:

Dogs and Puppies: 0	Cats and Kittens: 0	TOTAL: 0
---------------------	---------------------	----------

From local Residents:

Dogs and Puppies: 1	Cats and Kittens: 2	TOTAL: 3
---------------------	---------------------	----------

Total number of all animals received: 3

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1993. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements.

Every town has stray animal problems. We encourage your town, and especially your Animal Control Officer, to use our services more in 1994.

Sincerely,
Fritz T. Sabbow
Executive Director

**BRISTOL COMMUNITY CENTER
REPORT TO THE TOWN OF HEBRON
1993**

1993 proved to be a very busy year for the Community Center. We offered three youth league programs (basketball, baseball/softball, and soccer). Our baseball/softball program saw over 330 participants, 26 teams and 75 volunteers. The BCC basketball program doubled in number with more than 120 students playing every Saturday morning at the Center and the Middle School gymnasium. In addition to the youth leagues we organized Middle School Dances, instructional classes (aerobics, step aerobics, archery, art class, swim lessons, tap, ballet and jazz classes, karate classes, a Science through Arts program and tennis lessons, etc.), Mom and Tot Time, Adult Basketball, Badminton, Summer Playground, Summer Day Camp, Summer Senior Camp, Newfound Theatre Company, a Summer Preschool Program, Summer Baseball, Summer Basketball and new this year a Summer Basketball Camp. The Center also sponsored and organized 19 different fundraising events which included our annual March Ice Breaker Dance and our August Lobster and Chicken Supper. All of our success is due to the number of volunteers that donate their time to our program.

Hebron residents participated in the following programs:

Art Class	Mom & Tots
Baseball	Open House
Adult Basketball	Open House (Sat)
SMARTS Class	Soccer League
Camps (Summer)	Swimming Classes
Dances	Santa's Village Elves

We would like to thank all Hebron residents who participated in the programs and special events. Special thanks are owed to all the parents who came out and supported the Bristol Community Center last year at Town Meeting. We had another successful year.

This year the Bristol Recreation Advisory Council replaced the old gym floor. Special thanks goes out to the following businesses, individuals and towns for financially helping or volunteering their time to enable this large project to be completed: RP Williams; Freudenberg NOK; Freudenberg Norstar; Calley & Currier; Caristi Flooring; Bristol Energy Corp.; Dead River Co.; The Homestead Restaurant and the Patio Restaurant; MarCam Inc.; NRH Class of 1952; Robert Reynolds; Sam Worthen; Don Towle; Karen Bush and the Friends of the BCC. A heartfelt thank you goes out to the Towns of Alexandria and Hebron for supporting us through their town meeting and voting in an additional \$1400. to go towards this project! In 1994 the Center will be under renovations to establish a handicap entrance and main floor.

The Center thanks the School District for their continual support in all the

BCC youth league programs. We would also like to express our sincere gratitude to Freudenberg NOK for their annual donation and their printing services and R P Williams for their support in maintenance and upkeep of the 103 year old building. We cannot thank them enough for all they do for our organization.

The Community Center will see its 48th year of service to the Newfound area and we hope you will help us celebrate by participating in the 1994 agenda of programs and special events.
